

Overview

Product information

SA-EBBF-3005-F-2504000002

Female float connector for exchange battery.Rated current:60A; Rated voltage:72V DC; Withstand voltage:1500V AC; Insulation resistance > 500M Ω ; Protection grade meet IP67 for female side only;Mechanical life \geq 5000 times; Pull out force >50N; Operating temperature: - 40 ~ 105 °C; Salt spray resistance :72h; Flame retardant grade:UL94-v0; Environmental protection:RoHS.

Product advantages

The products are matched with each other and have the function of positive and negative insertion
The floating amount when the product is inserted can compensate the gap between the vehicle body and the battery
The guide post is aligned and inserted, which is convenient and fast
